EDUCATION

Indian Institute of Information Technology - Dharwad
B.Tech. Data Science and Artificial Intelligence *CGPA : 8.82*

Dharwad, Karnataka, India.
Dec 2020 - Jun 2024

EXPERIENCE

Bitloka Solutions Pvt. Ltd. (Working with aKube.ai)
Senior Software Engineer

Bengaluru, Karnataka, India
December 2025 – Present

- Built an **AI agent-driven MCP presales server**, aggregating meetings, drawings, documents, and knowledge graphs to auto-generate proposals and estimates, reducing **manual presales effort by 70%**.
- Implemented **real-time AI evaluation and observability** with **Comet ML Opik**, mentoring a **2-person team**, preventing **silent accuracy regressions** and cutting **QA manual validation time**.

Software Engineer

July 2024 – November 2025

- Designed a **Graph RAG system** on **Neo4j** knowledge graphs enabling **multi-hop reasoning and complex queries**, improving retrieval precision and answer consistency across enterprise workflows.
- Developed a **high-performance chunking and embedding pipeline** using **LlamaIndex**, evaluated with **Eval Metrics**, **RAGatouille**, and **hybrid search**, improving retrieval quality for downstream RAG systems.
- Built and deployed a **meeting intelligence bot** that joins virtual meetings to generate **time-aligned transcripts with speaker attribution**, enabling **searchable organizational knowledge capture**.
- Designed a **scalable Airflow-based ETL pipeline** ingesting **GitHub issues and markdown data** into **PostgreSQL** and **AWS S3**, enabling **structured analytics and downstream ML workflows at scale**.

Ericsson

AI Research Intern

Bengaluru, Karnataka, India
January 2024 - July 2024

- Published a peer-reviewed paper improving OOD detection in text with lower **FPR@95% TPR**, using a **background-free Mahalanobis framework** with statistically calibrated thresholds.
- Achieved **0.98 AUROC** on 40K+ docs, outperforming LR, SVM, and tree models with **lower inference cost**.

Saint Mary's University

Mitacs Globalink Research Intern

Halifax, Nova Scotia, Canada
June 2023 - August 2023

- Built a **Spatio-Temporal Graph Social Network** on 10 years of data to model **auditor-client dynamics**, achieving **0.62 predictive accuracy** and improving **financial risk signal detection**.
- Designed **linguistic analytics** for annual reports and engineered 5,000+ features, including 150 semantic-lexical signals from **Bloomberg**, **Compustat**, **Audit Analytics**, and **Sustainalytics data**.

SKILLS

Languages:	Python, C++, Javascript, Move, Solidity, R	Data Tools:	Airflow, FastAPI
Machine Learning:	Tensorflow, Scikit Learn, PyTorch, SpaCy, Transformers	Cloud:	Heroku, GCP, AWS
Web Development:	Node.js, Express, React, Flask, BASH Scripting	Databases:	MongoDB, PSQL

PROJECTS

FunTastic *Python, Flask, Node.js, MongoDB, MERN Stack, OpenAI APIs, MediaPipe, Tensorflow.js* [Github](#)

- Developed a **scalable backend architecture** using **Flask**, **Node.js**, and **MongoDB**, orchestrating AI pipelines for real-time video processing, avatar animation, and educational content delivery.
- Implemented **AI-driven virtual agent APIs** with **OpenAI GPT models**, enabling context-aware conversational support and seamless integration with frontend React components and media streaming services.

PUBLICATIONS

- N. Srivastava, O. Gowda, S. Bulbule, **S. Bhandari** and A. Chaturvedi, "**Bitcoin Evolution Analytics: Twitter Sentiments to Predict Price Change as Bearish or Bullish**," 2022 IEEE International Conference on Big Data (Big Data), Osaka, Japan, 2022, pp. 3547-3556. DOI
- Siddharth Bhandari**, Dhruv Raghavan, Jyotirmoy Bannerjee, and Sandip Bandopadhyay. "**Out-of-distribution detection in text using statistical techniques**." Accepted to the **ADS Track of CODS-COMAD and Discover Data**, Dec 2024. DOI

ACHIEVEMENTS

- First Position Holder** in **Parsec DevHack 4.0** IIT Dharwad (Dharwad, March 2023)
- Winner** Best DeFi Project (Polygon Track, Revise Protocol PUSH Protocol) at **ETHIndia'22**, Bengaluru.
- Finalist** at **Smart India Hackathon 2022** conducted by Government of India (Mangalore, Aug 2022)
